Social

Entirely New User Experience

We have changed our entire design to give you a better user experience.

Social is now more fun and more talented

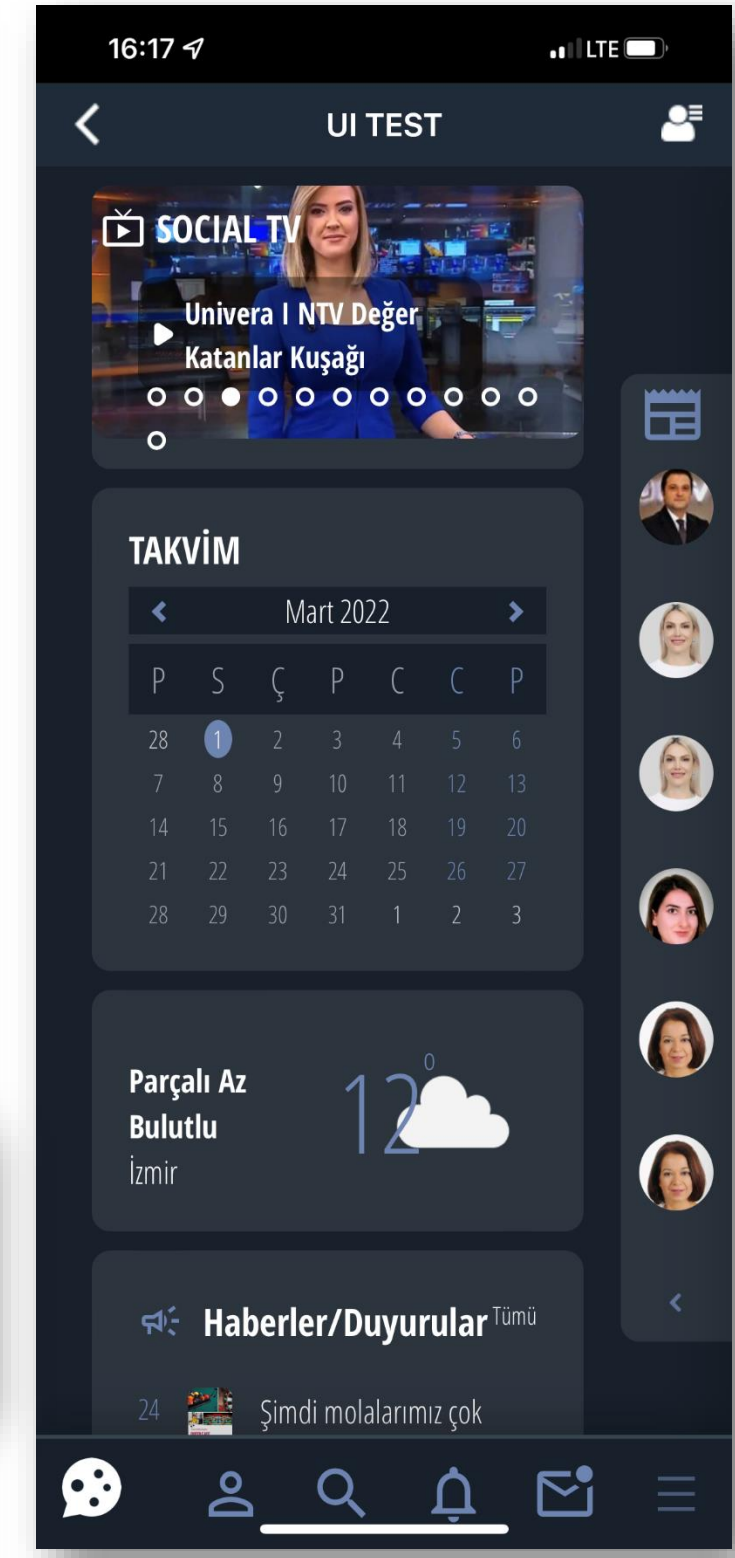

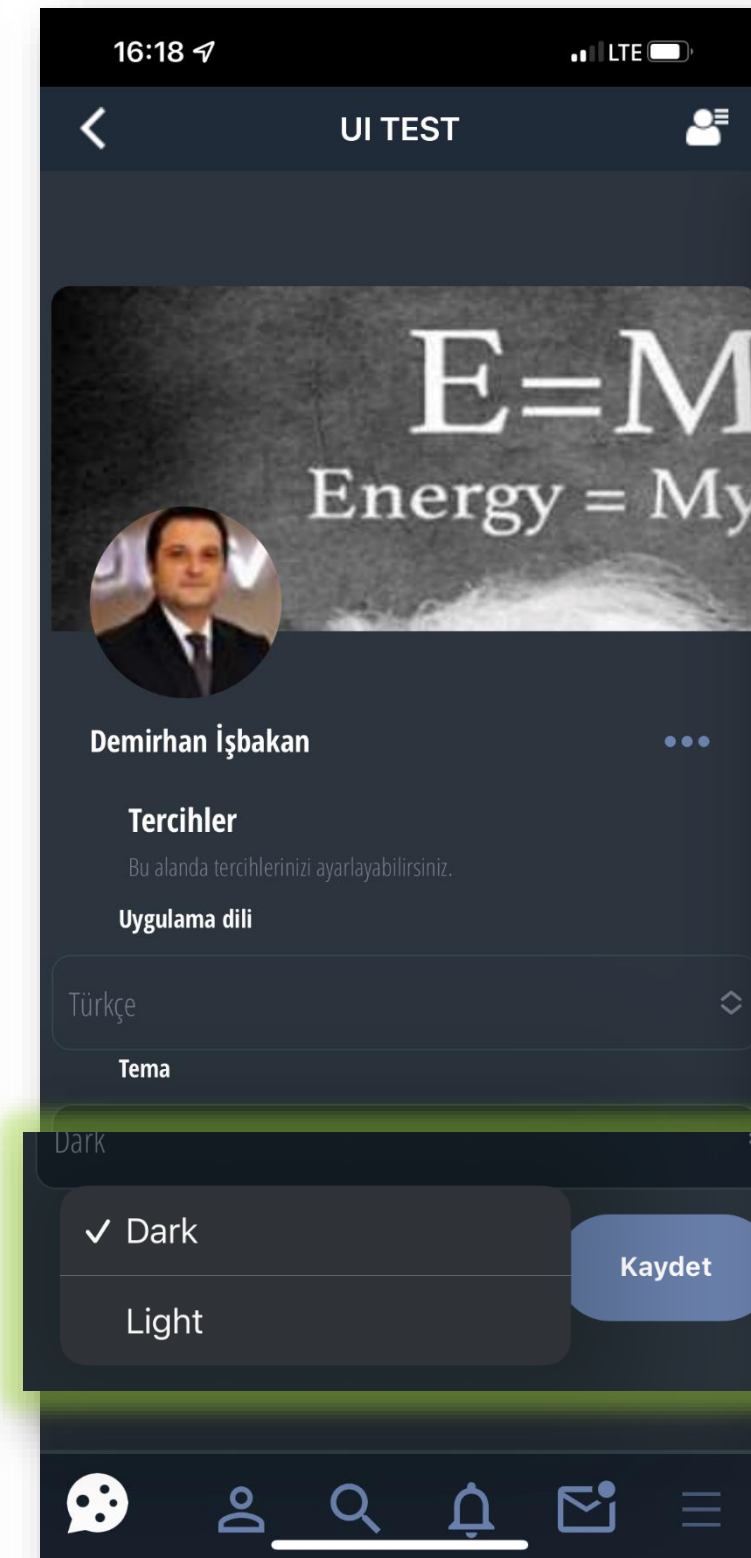

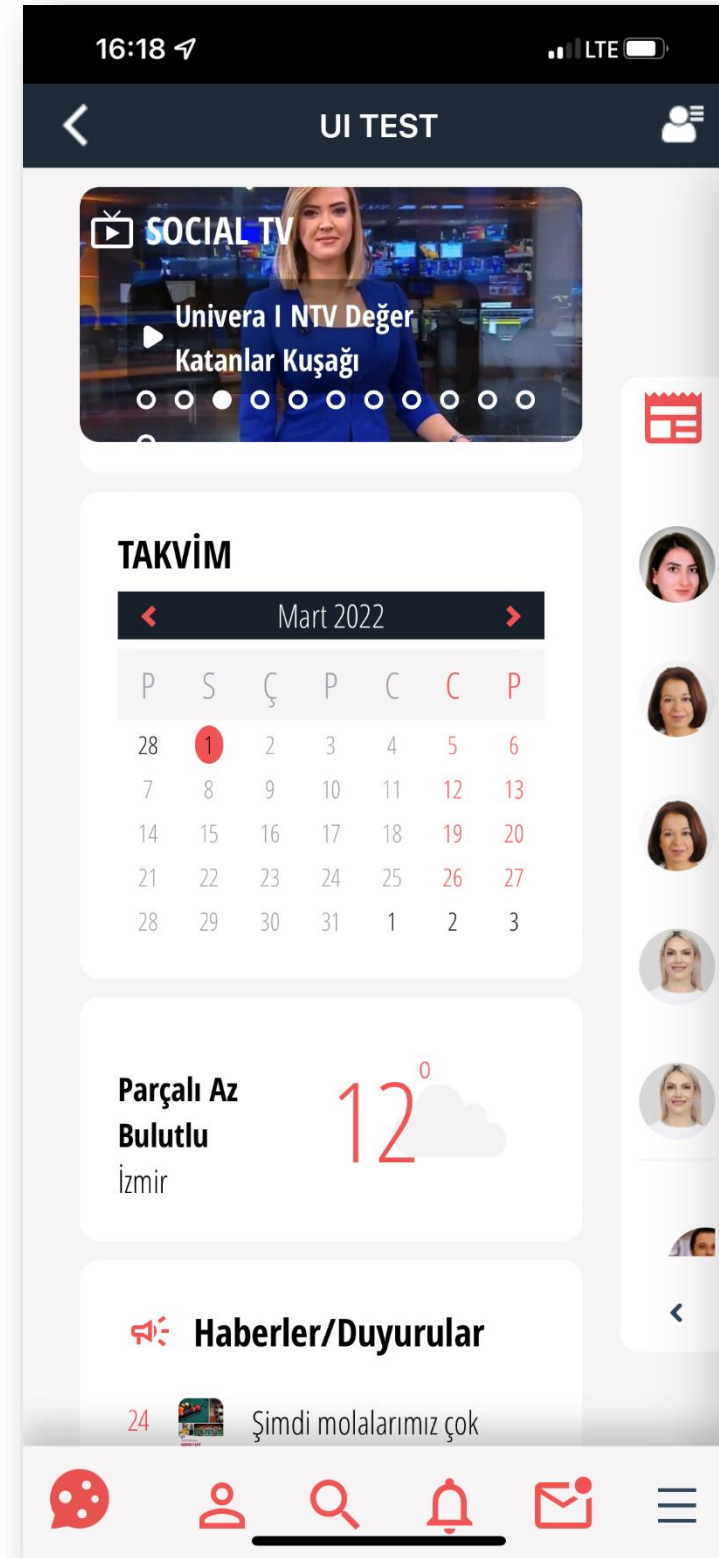

Welcome to
DARK SIDE!

Light or Dark mode
preference.

Up to you...

Social Widgets are now fully customizable!

The screenshot displays the Social TV dashboard interface. At the top, there is a navigation bar with icons for License, Users, Authorization, File management, Page Management, Primary Post, Reported Posts, Document Groups, Social TV, and Widgets. The main content area is a grid of widgets:

- Parçalı Bulutlu İstanbul**: A weather widget showing a cloudy sky and the number 23.
- Calendar**: A calendar for March 2022, with the 22nd highlighted.
- Video Portal**: A large video player showing a scene from a movie with the text "SOCIAL TV" and "Video Title".
- VARUNA**: A logo for VARUNA.
- P 8**: A logo for P 8.
- News/Announcements**: A list of news items with "Read more" links.
- univis**: A logo for univis.
- Kurumsal İletişim**: A logo for Kurumsal İletişim.

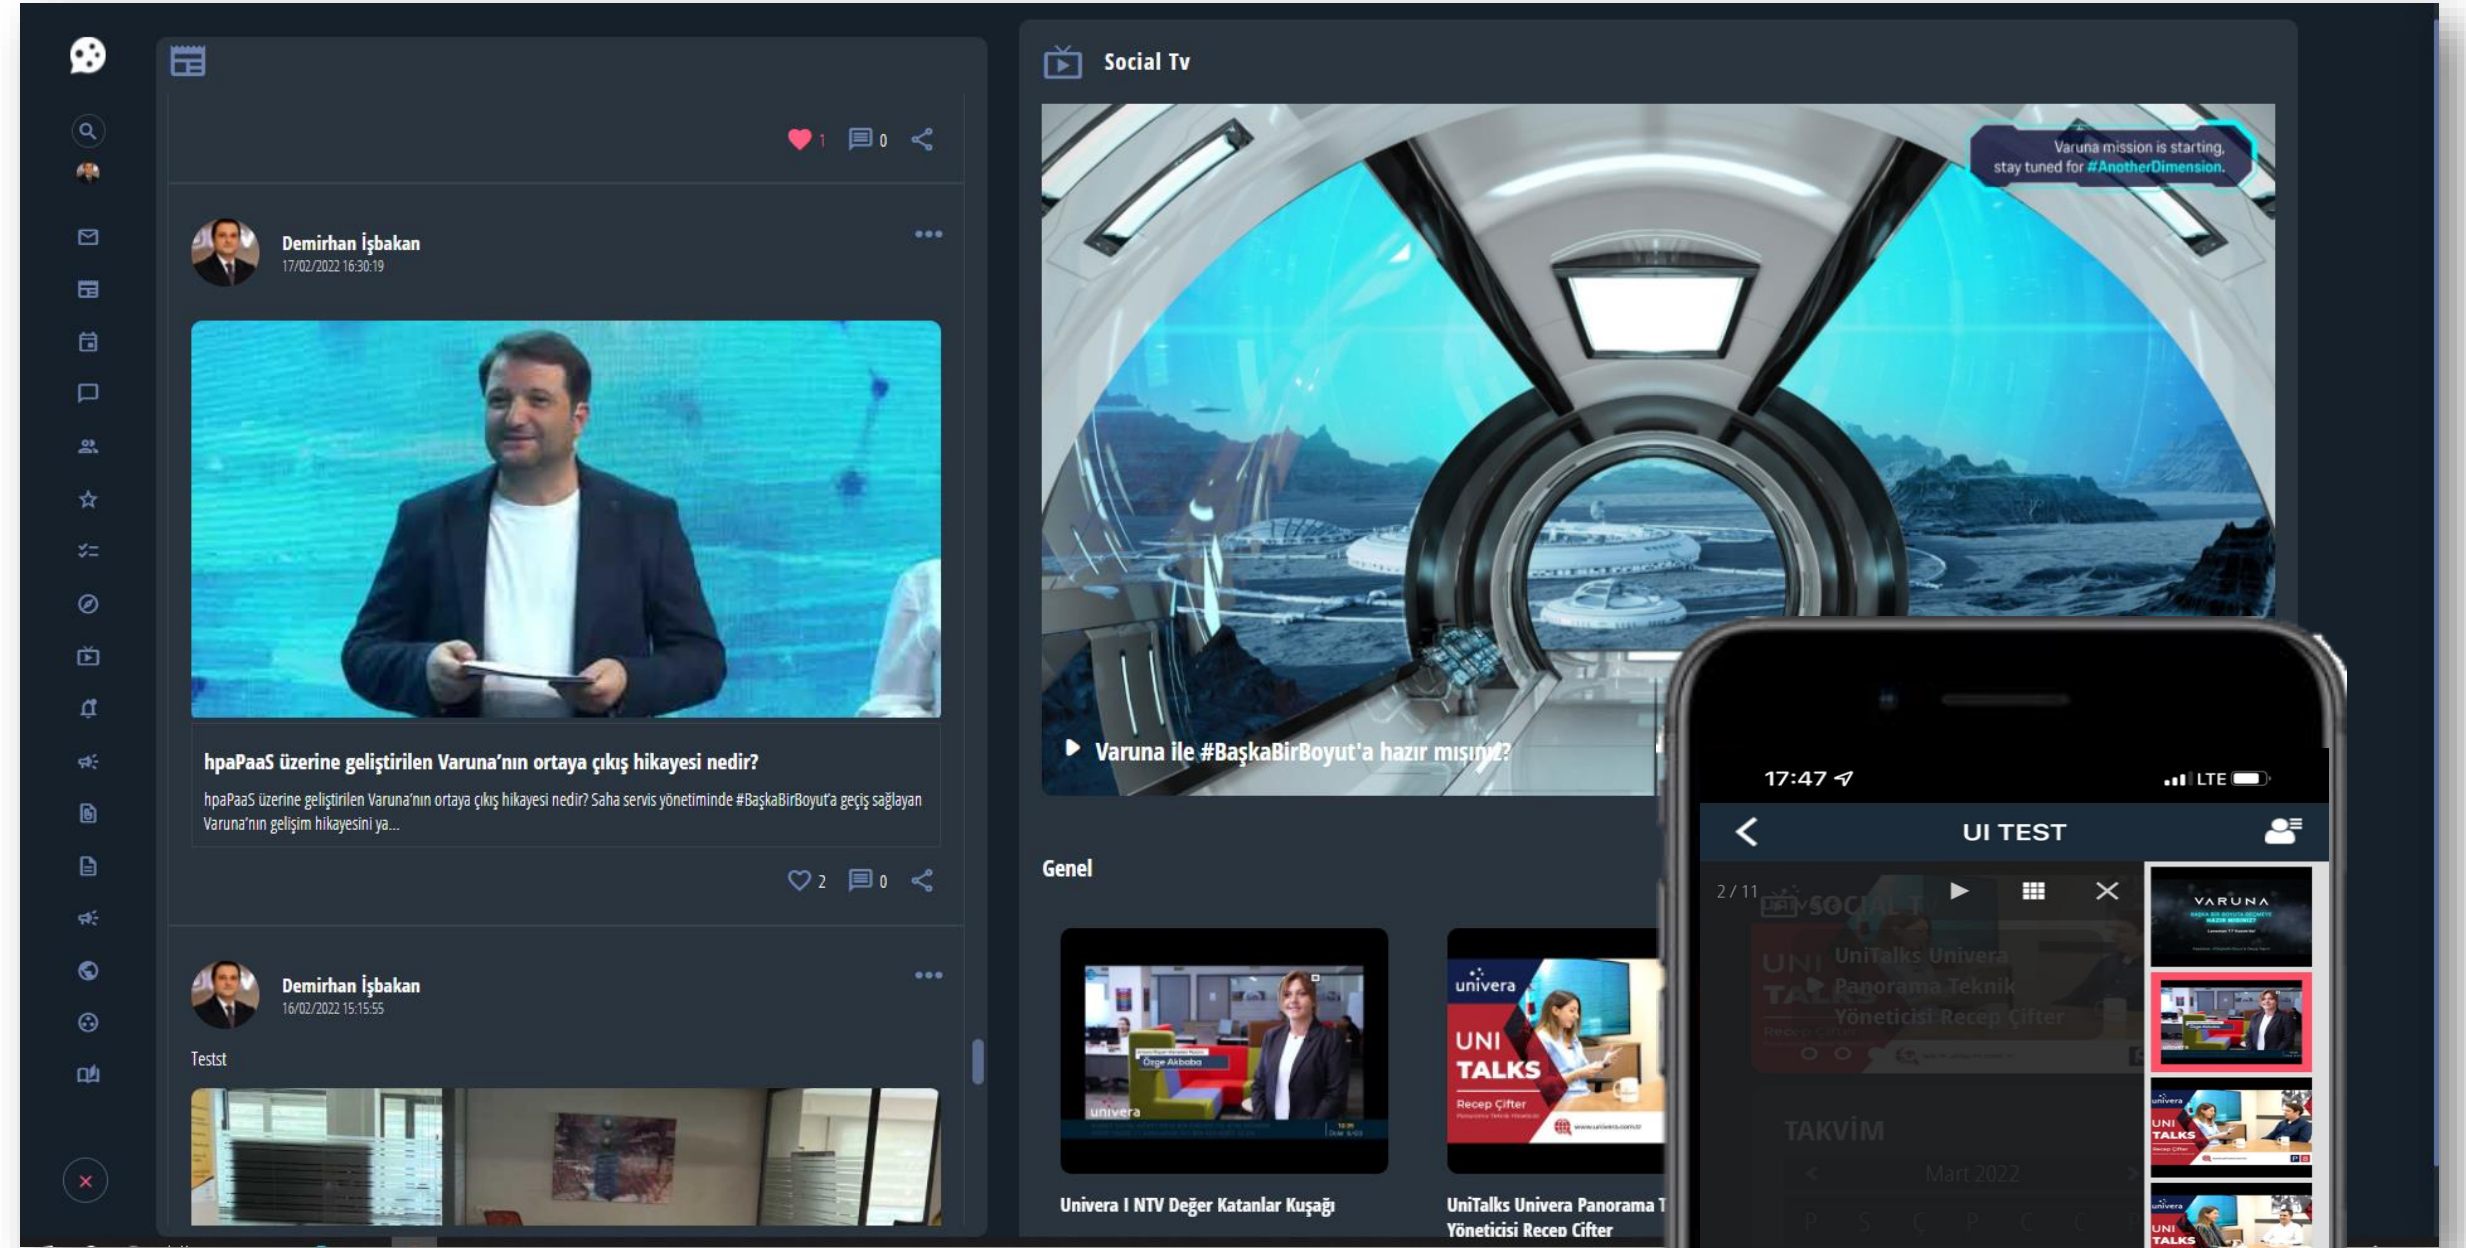

On the right side, there is a sidebar menu with the following widgets and their descriptions:

- Document**: Opens the selected document or all documents page when clicked.
- Video Portal**: Allows viewing selected videos in the Social TV add-on.
- Calendar**: Shows the calendar.
- Weather**: Shows the weather.
- News/Announcements**: Shows the last posts of the selected page.

Social TV

Easy and fast video sharing with Youtube Integration

Emoji

Communication is incomplete without them. The use of emoji will increase the fun in communication.

Average Mobile App File Size (Android and iOS)

38MB

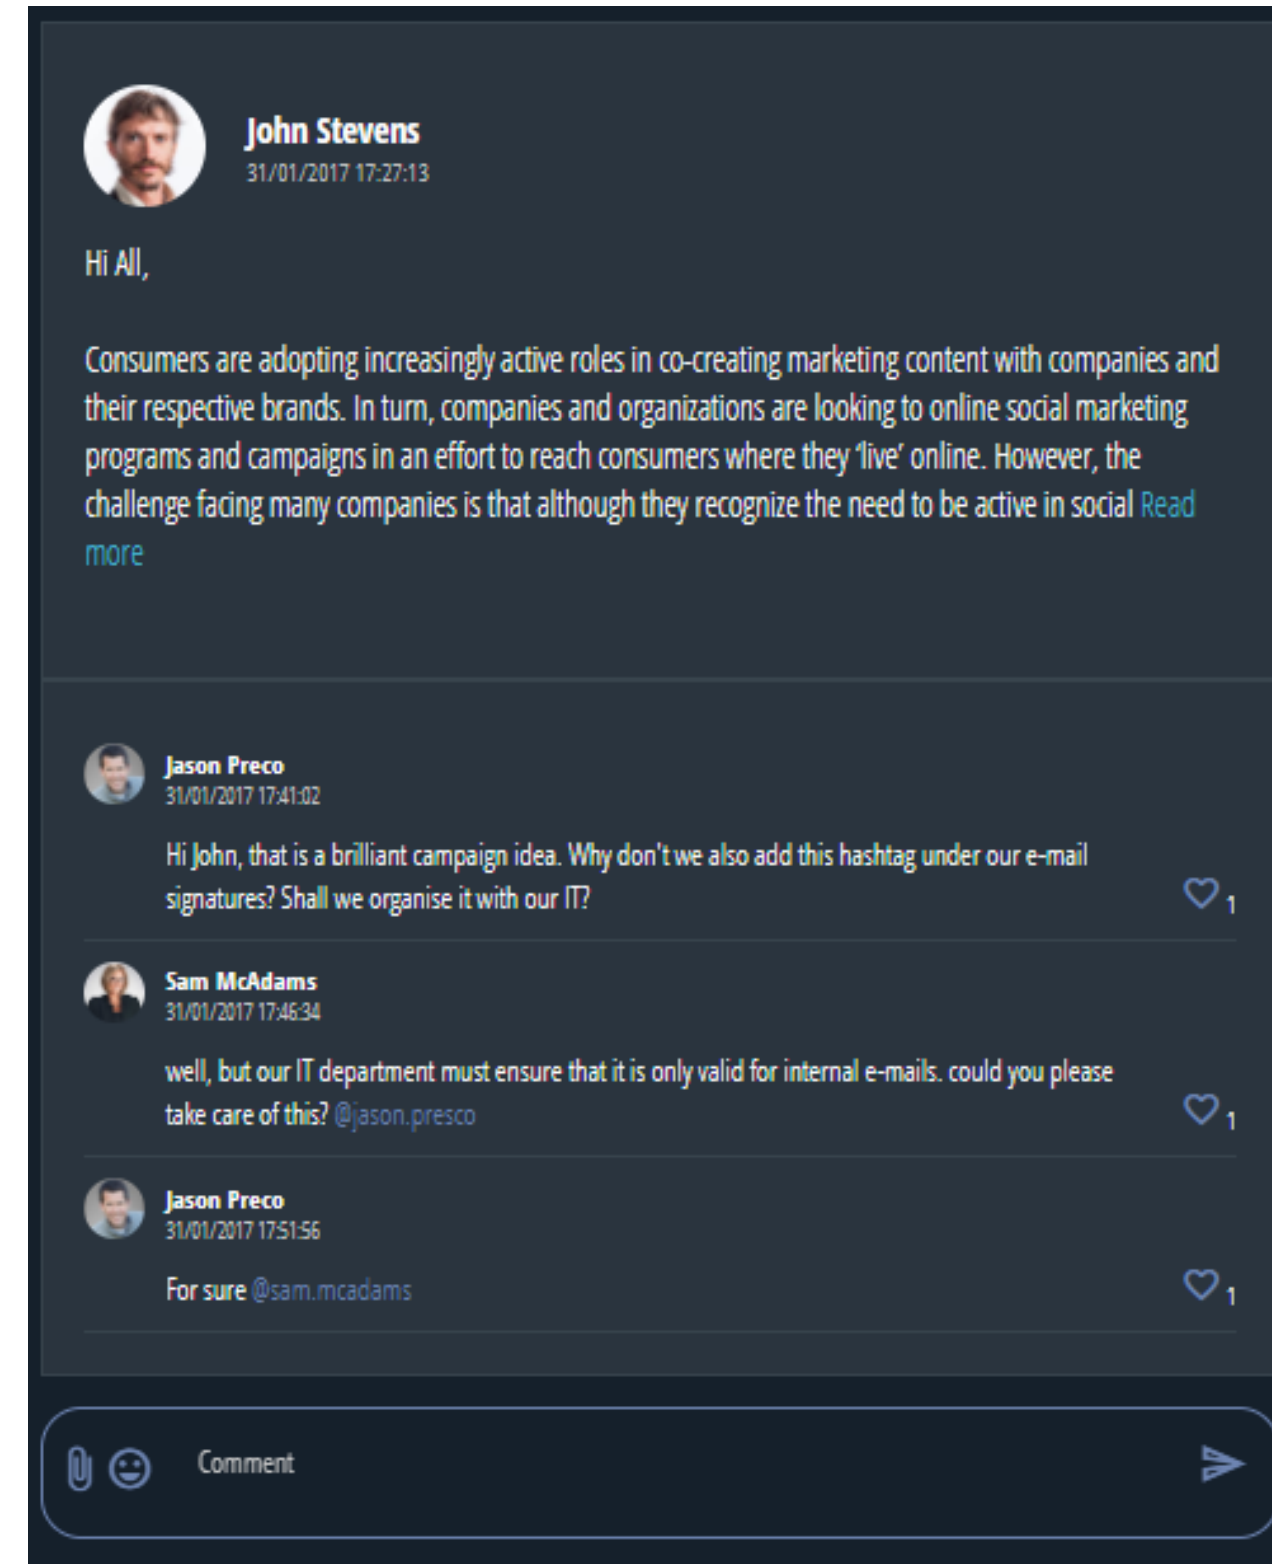

The average iOS mobile app, published in the past month, weighs **38MB**. The average Android app is 60% smaller at **15MB**. Including apps published in the past, averages are **34MB** and **12MB**.

Platform	File Size (All time)	File Size (1 month)
Android	12MB	15MB
iOS	34MB	38MB

Your notifications are updated and traceable.

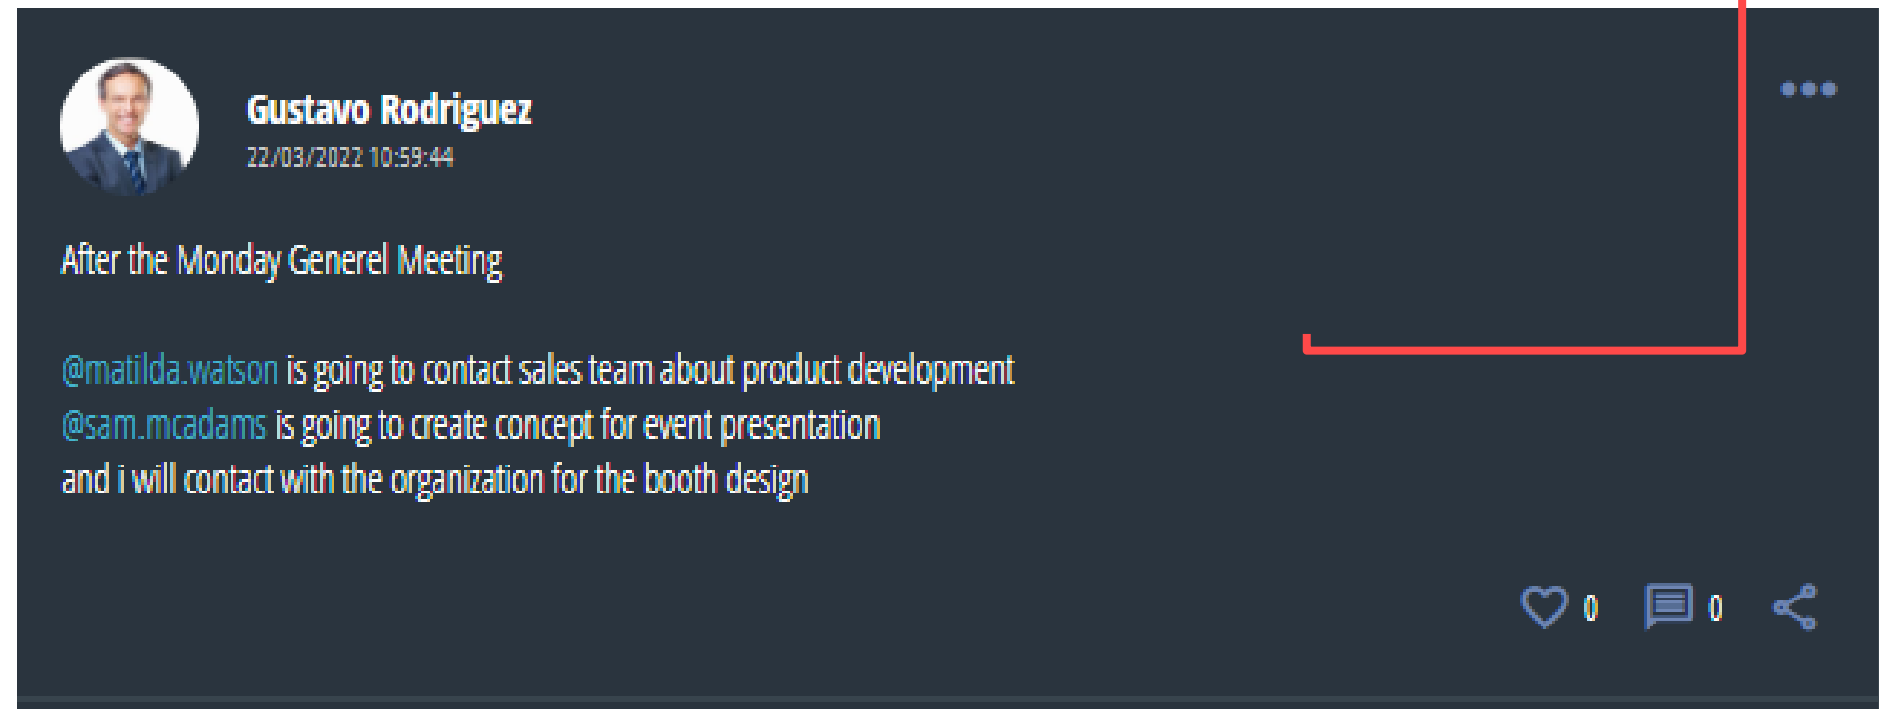

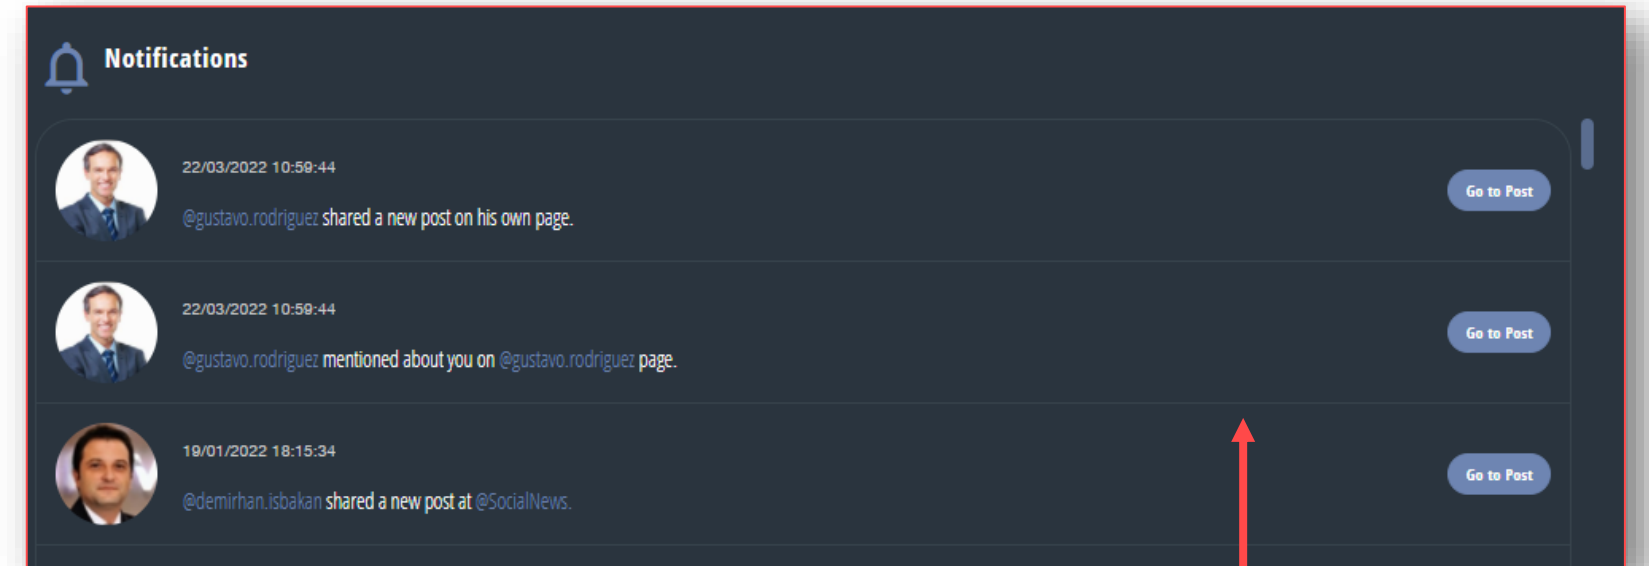

Share information with your team members about the topics you work on.

The screenshot shows a dark-themed notification interface. At the top, a notification from **John Stevens** (31/01/2017 17:27:13) says "Hi All," followed by a paragraph about consumers co-creating marketing content. Below this are three replies: **Jason Preco** (31/01/2017 17:41:02) asks about adding a hashtag to e-mail signatures; **Sam McAdams** (31/01/2017 17:46:34) responds that the IT department must ensure it's for internal e-mails; and **Jason Preco** (31/01/2017 17:51:56) replies "For sure @sam.mcadams". Each reply has a heart icon and the number "1". At the bottom is a "Comment" input field with icons for attachments and emojis, and a send button.

Very easy to share meeting notes...

Share meeting topics, tag related person about the process...

Welcoming new team members, job promotion announcements or birthday celebrations... You can all announce easily.

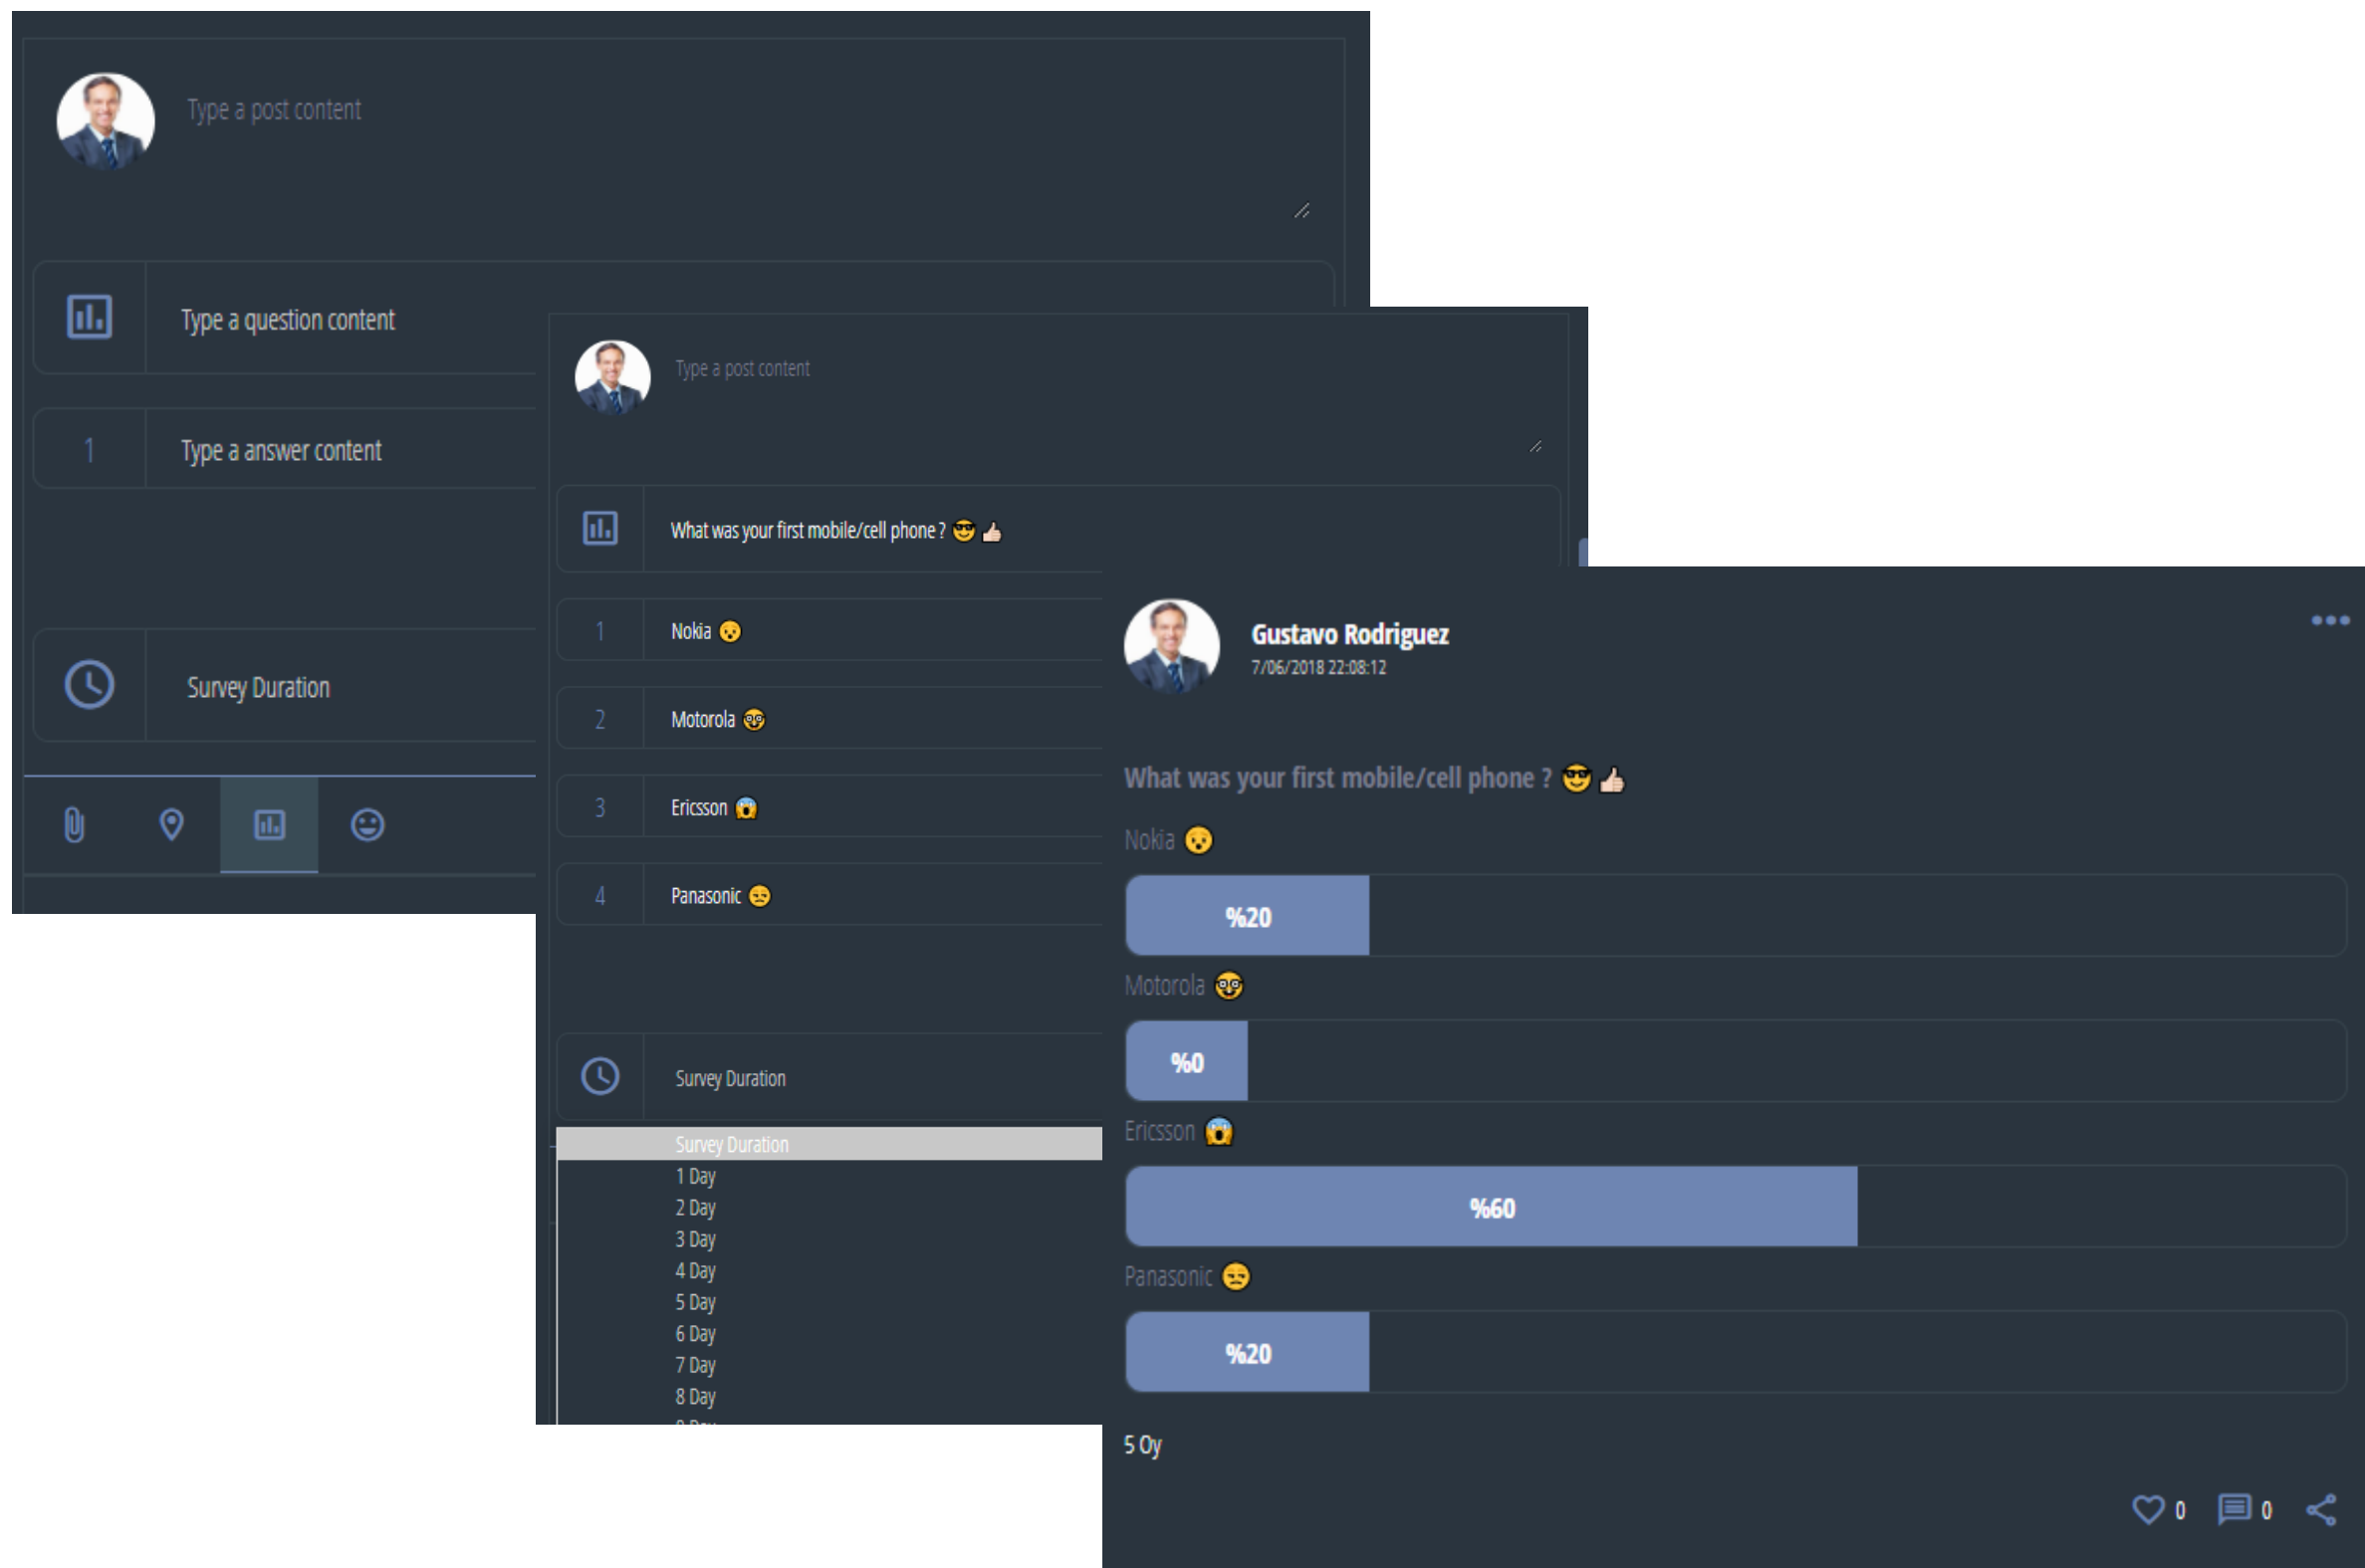

Social for simultaneous information sharing.

Create surveys, get the ideas of team...

The key of the development, transformation...

Provide a platform that everyone share ideas and comment.

The image shows a dark-themed social media interface for creating and viewing a survey. The top part shows the creation screen with fields for 'Type a post content', 'Type a question content', and 'Type a answer content'. Below these are options for 'Survey Duration' and a bottom navigation bar with icons for home, location, survey, and profile.

The bottom part shows a survey post by Gustavo Rodriguez (7/06/2018 22:08:12) with the question 'What was your first mobile/cell phone? 🤔 👍'. The survey results are displayed as a list of answers with corresponding progress bars:

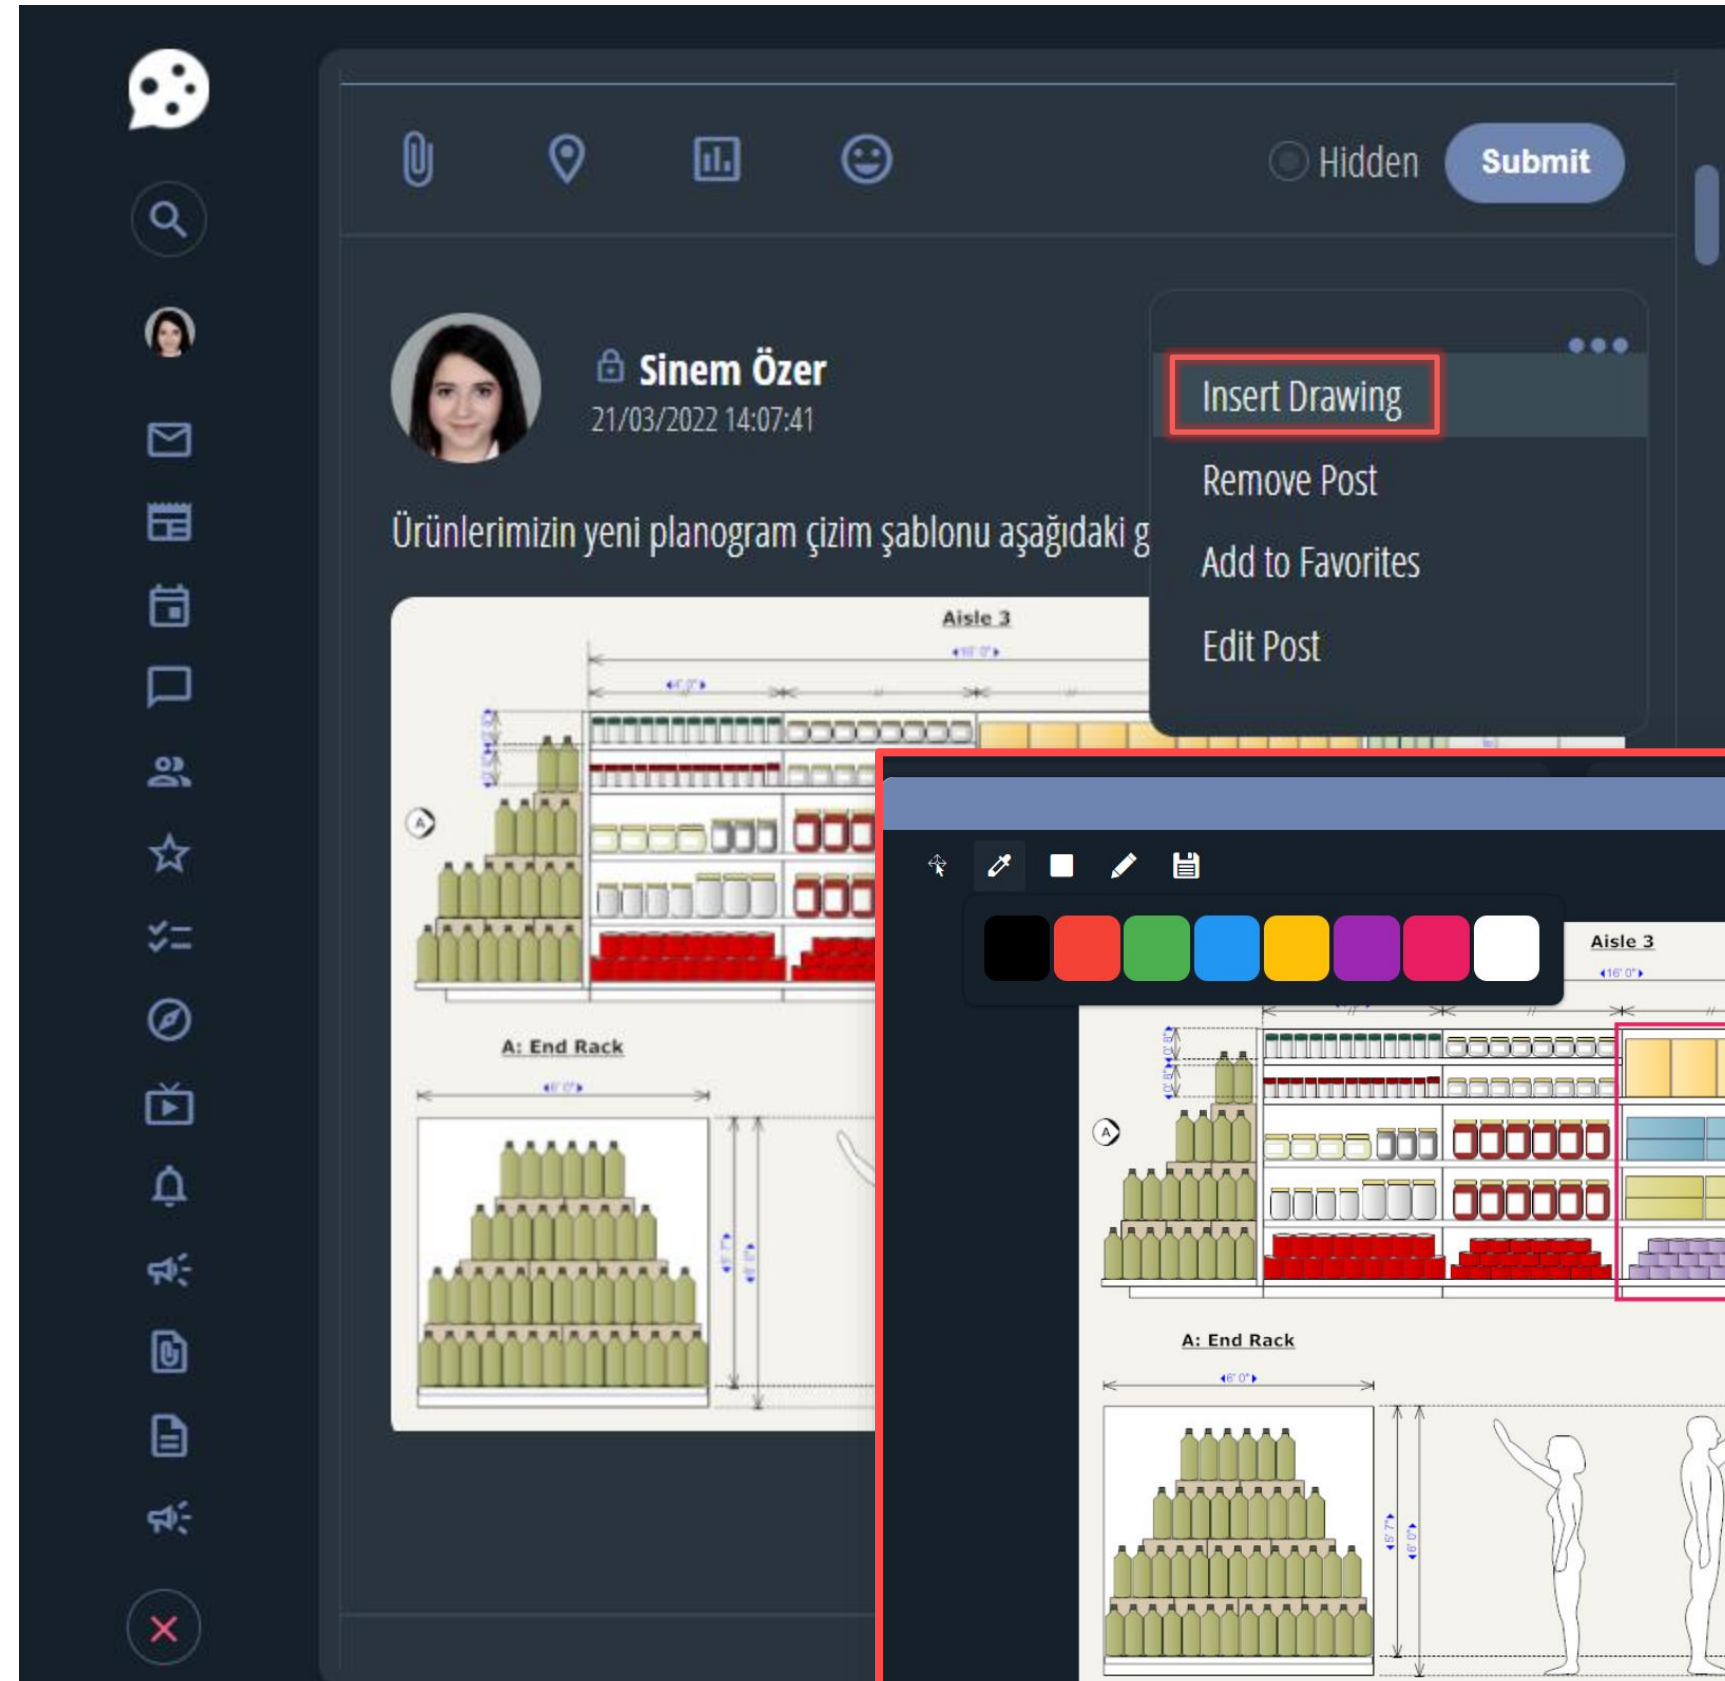

Answer	Percentage
Nokia 🤔	%20
Motorola 🤔	%0
Ericsson 🤔	%60
Panasonic 🤔	%20

At the bottom of the survey post, there is a 'Survey Duration' dropdown menu with options: 1 Day, 2 Day, 3 Day, 4 Day, 5 Day, 6 Day, 7 Day, 8 Day, and 9 Day. The post also shows a '5 0y' label and interaction icons for likes, comments, and shares.

Working commonly at visuals, making changes and adding drawings make processes more efficient.

Add comments or correction marks to visuals that your friends shared.

Sharing Information and Reports is not a Problem.

But sharing the information with right people at the right time via efficient way is better.

The most efficient way of sharing report with the related people is Social...

Sam McAdams
31/01/2017 12:30:47

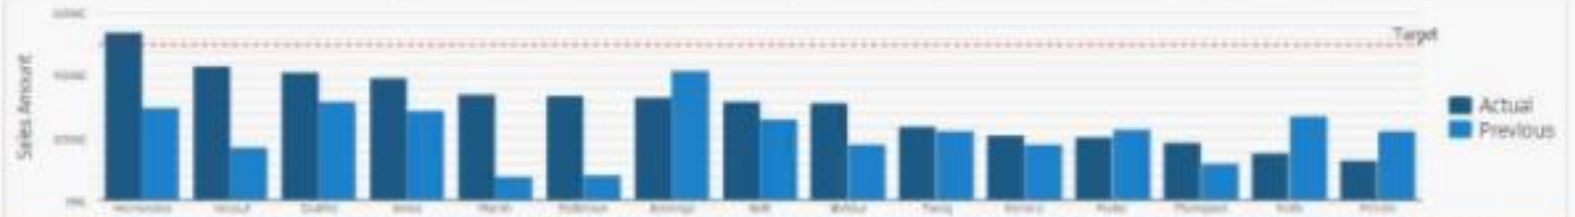

Guys, I want everyone to review our distribution reports for the last quarter. Would you please share your ideas with me?

Ted Blust
31/01/2017 12:34:26

this is a really nice work Sam. I would like to hear comments from our sales department as soon as possible.

2

Katherine Michel
31/01/2017 12:39:54

A very expected situation. I think it is the result of the investments we made in the third quarter. I can already see that the growth rate will be much better next year. :)

2

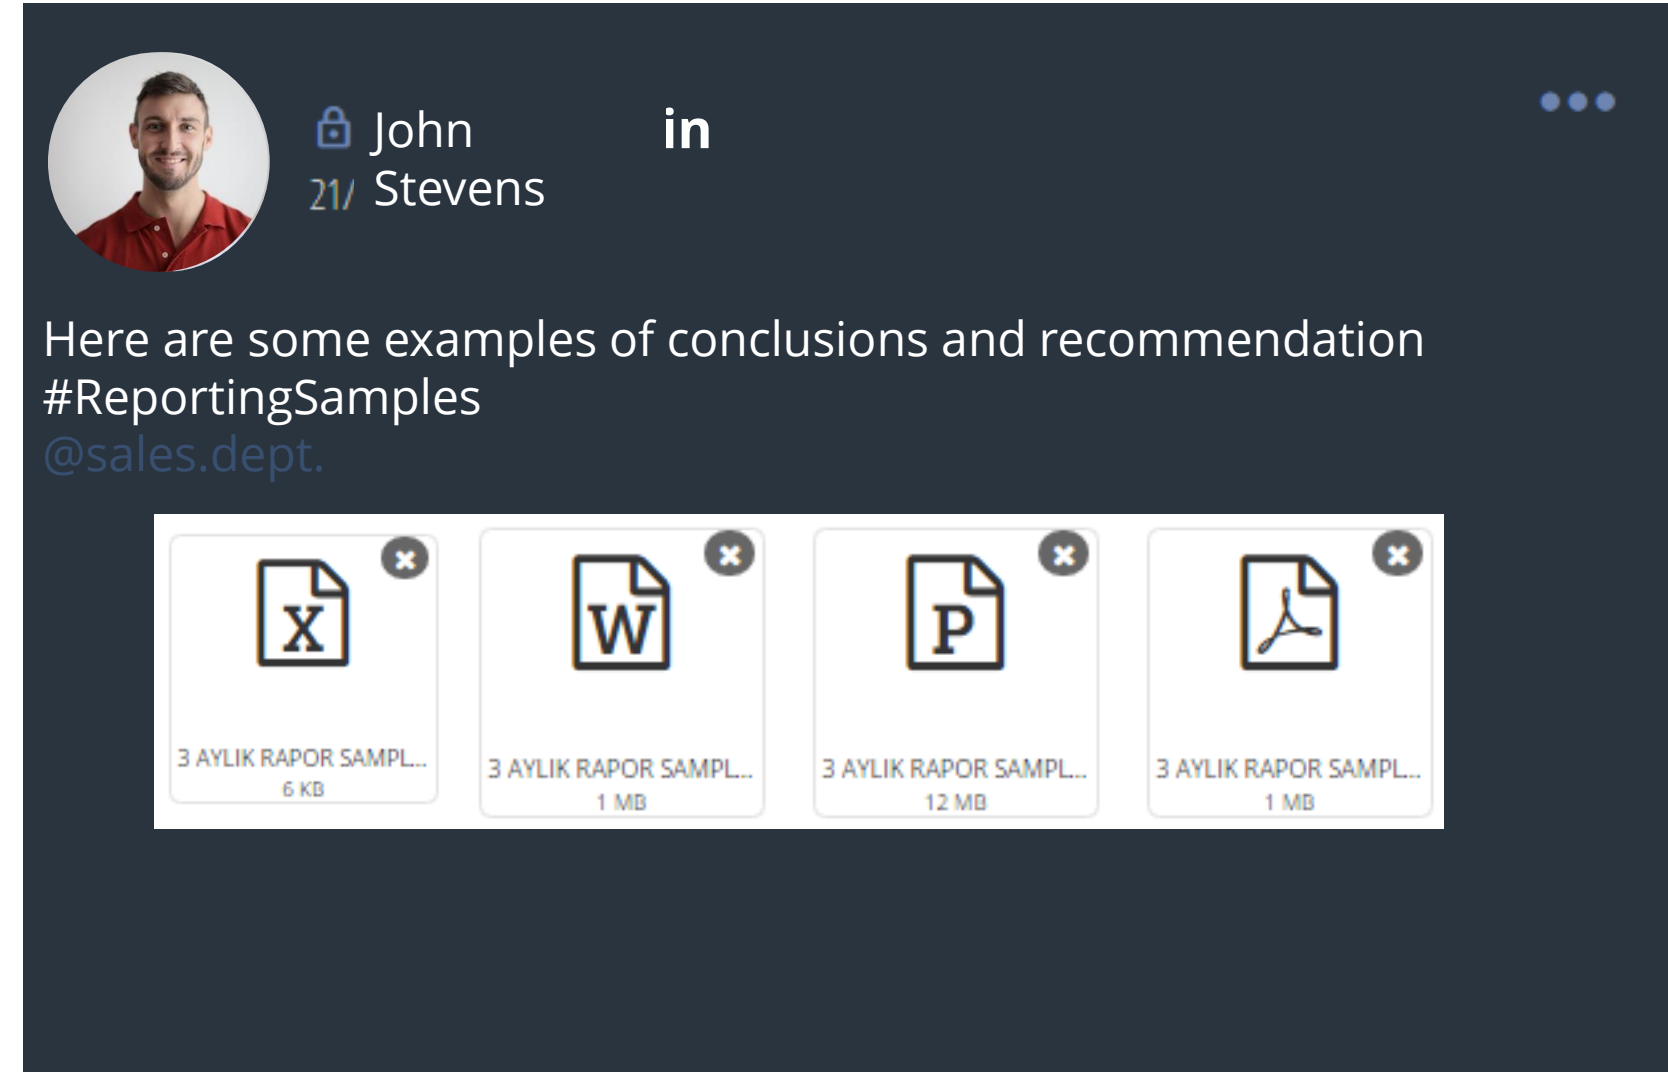

Gustavo Rodriguez
31/01/2017 13:17:01

Good job guys..., Surely our company can also increase production capacity through internal growth, develop new products, new production technologies, But internal growth takes longer than merging...

1

Joint document, standard information sharing ...

The important documents that using by everyone can be accessible from everywhere.

A screenshot of a LinkedIn post. At the top left is a circular profile picture of a man with a beard wearing a red shirt. To the right of the profile picture is the name "John Stevens" with a lock icon and the number "21/". Further right is the LinkedIn logo "in" and three blue dots in the top right corner. Below the profile information is the text "Here are some examples of conclusions and recommendation #ReportingSamples @sales.dept.". Below the text is a row of four document thumbnails. Each thumbnail has a file icon (X, W, P, and a PDF symbol) and a close button (x) in the top right corner. Below each icon is the text "3 AYLIK RAPOR SAMPL..." and a file size: "6 KB", "1 MB", "12 MB", and "1 MB" respectively.

Share valuable information with the team, get better works done.

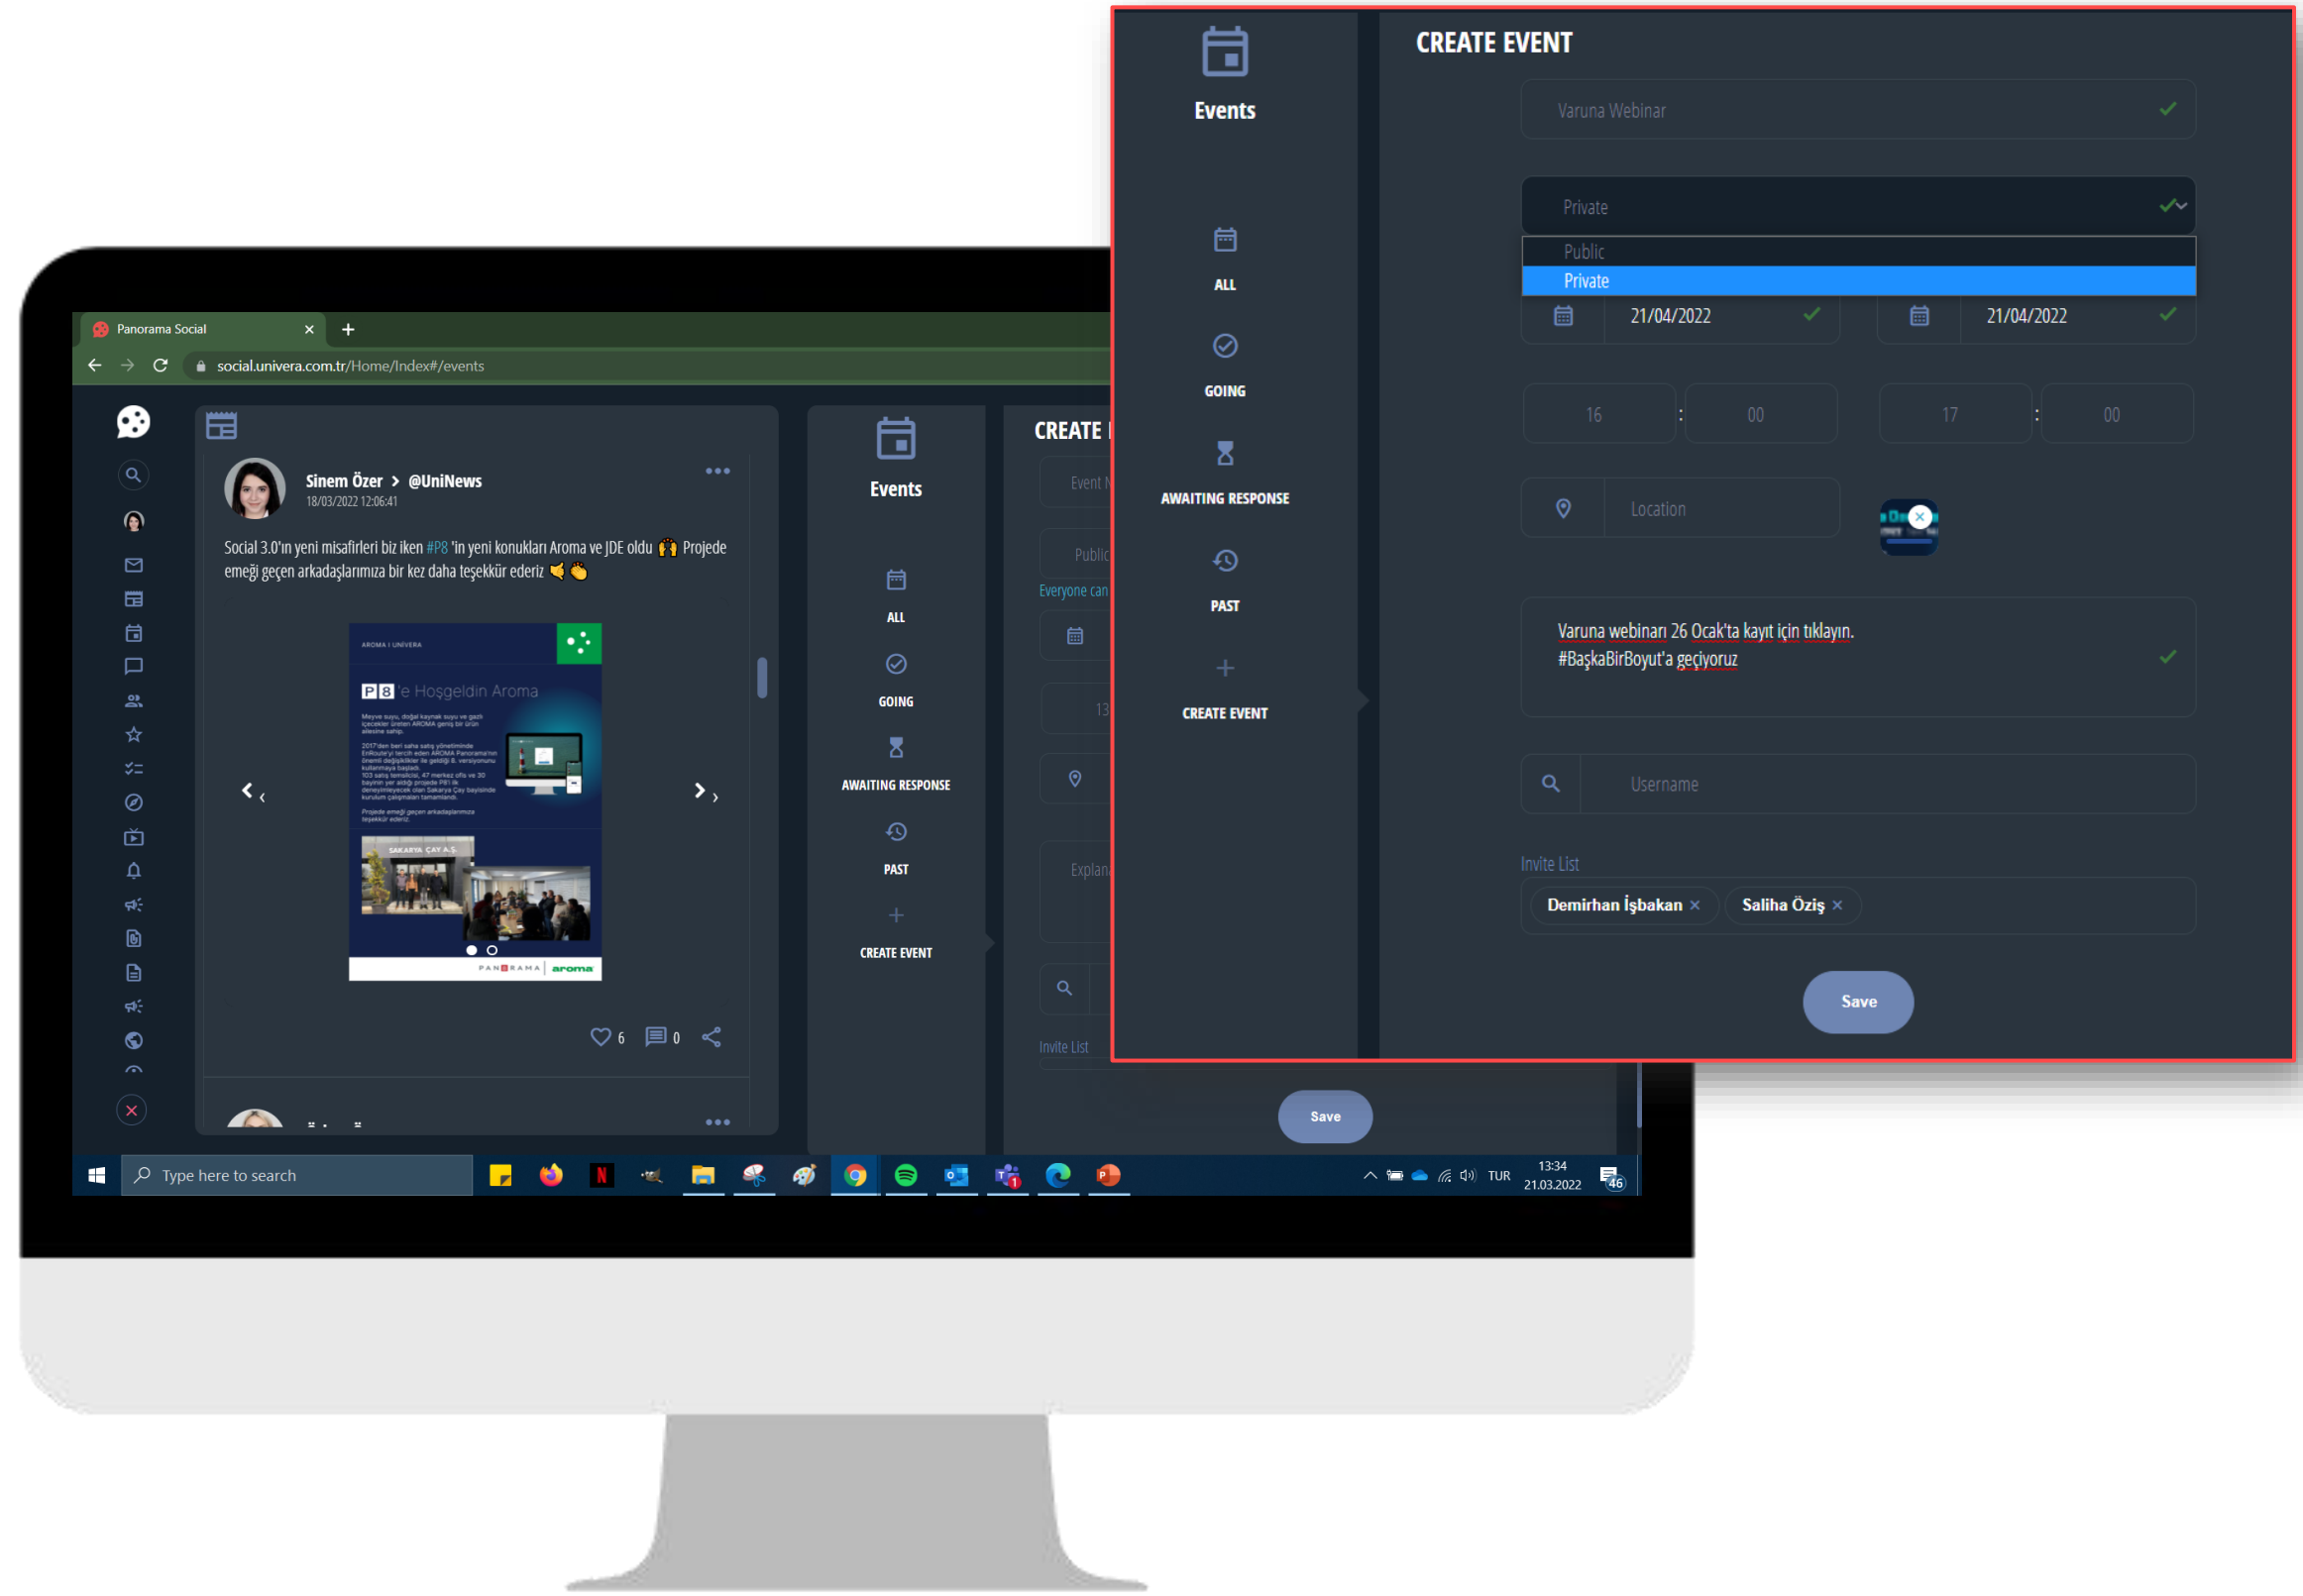

By sharing training and informative videos via Social keep knowledge level at the top.

Manage events, trainings and meetings via Social.

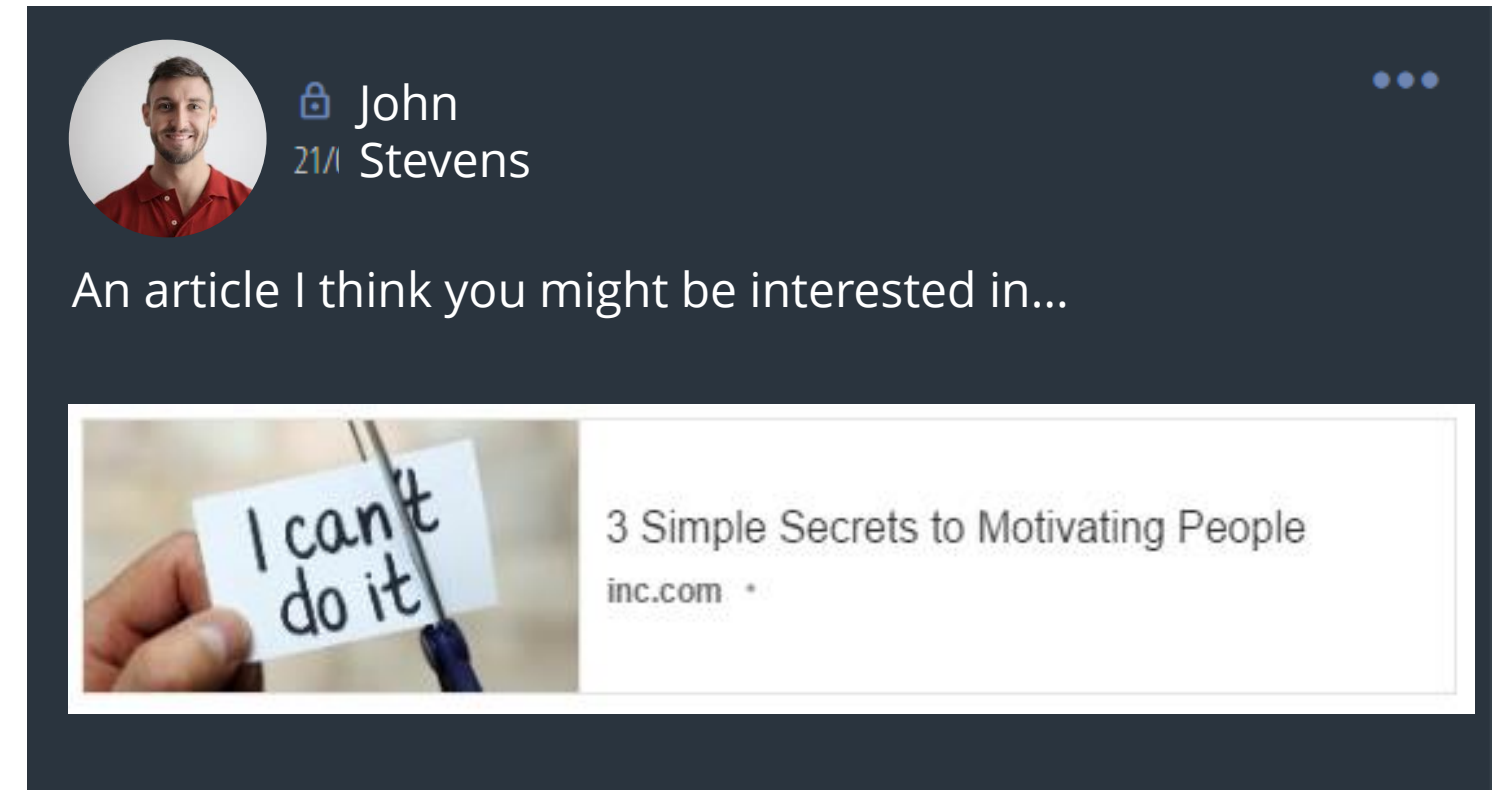

Manage:

- Events that you think coworkers may interest,
- Meeting participants,
- In-house or social activities.

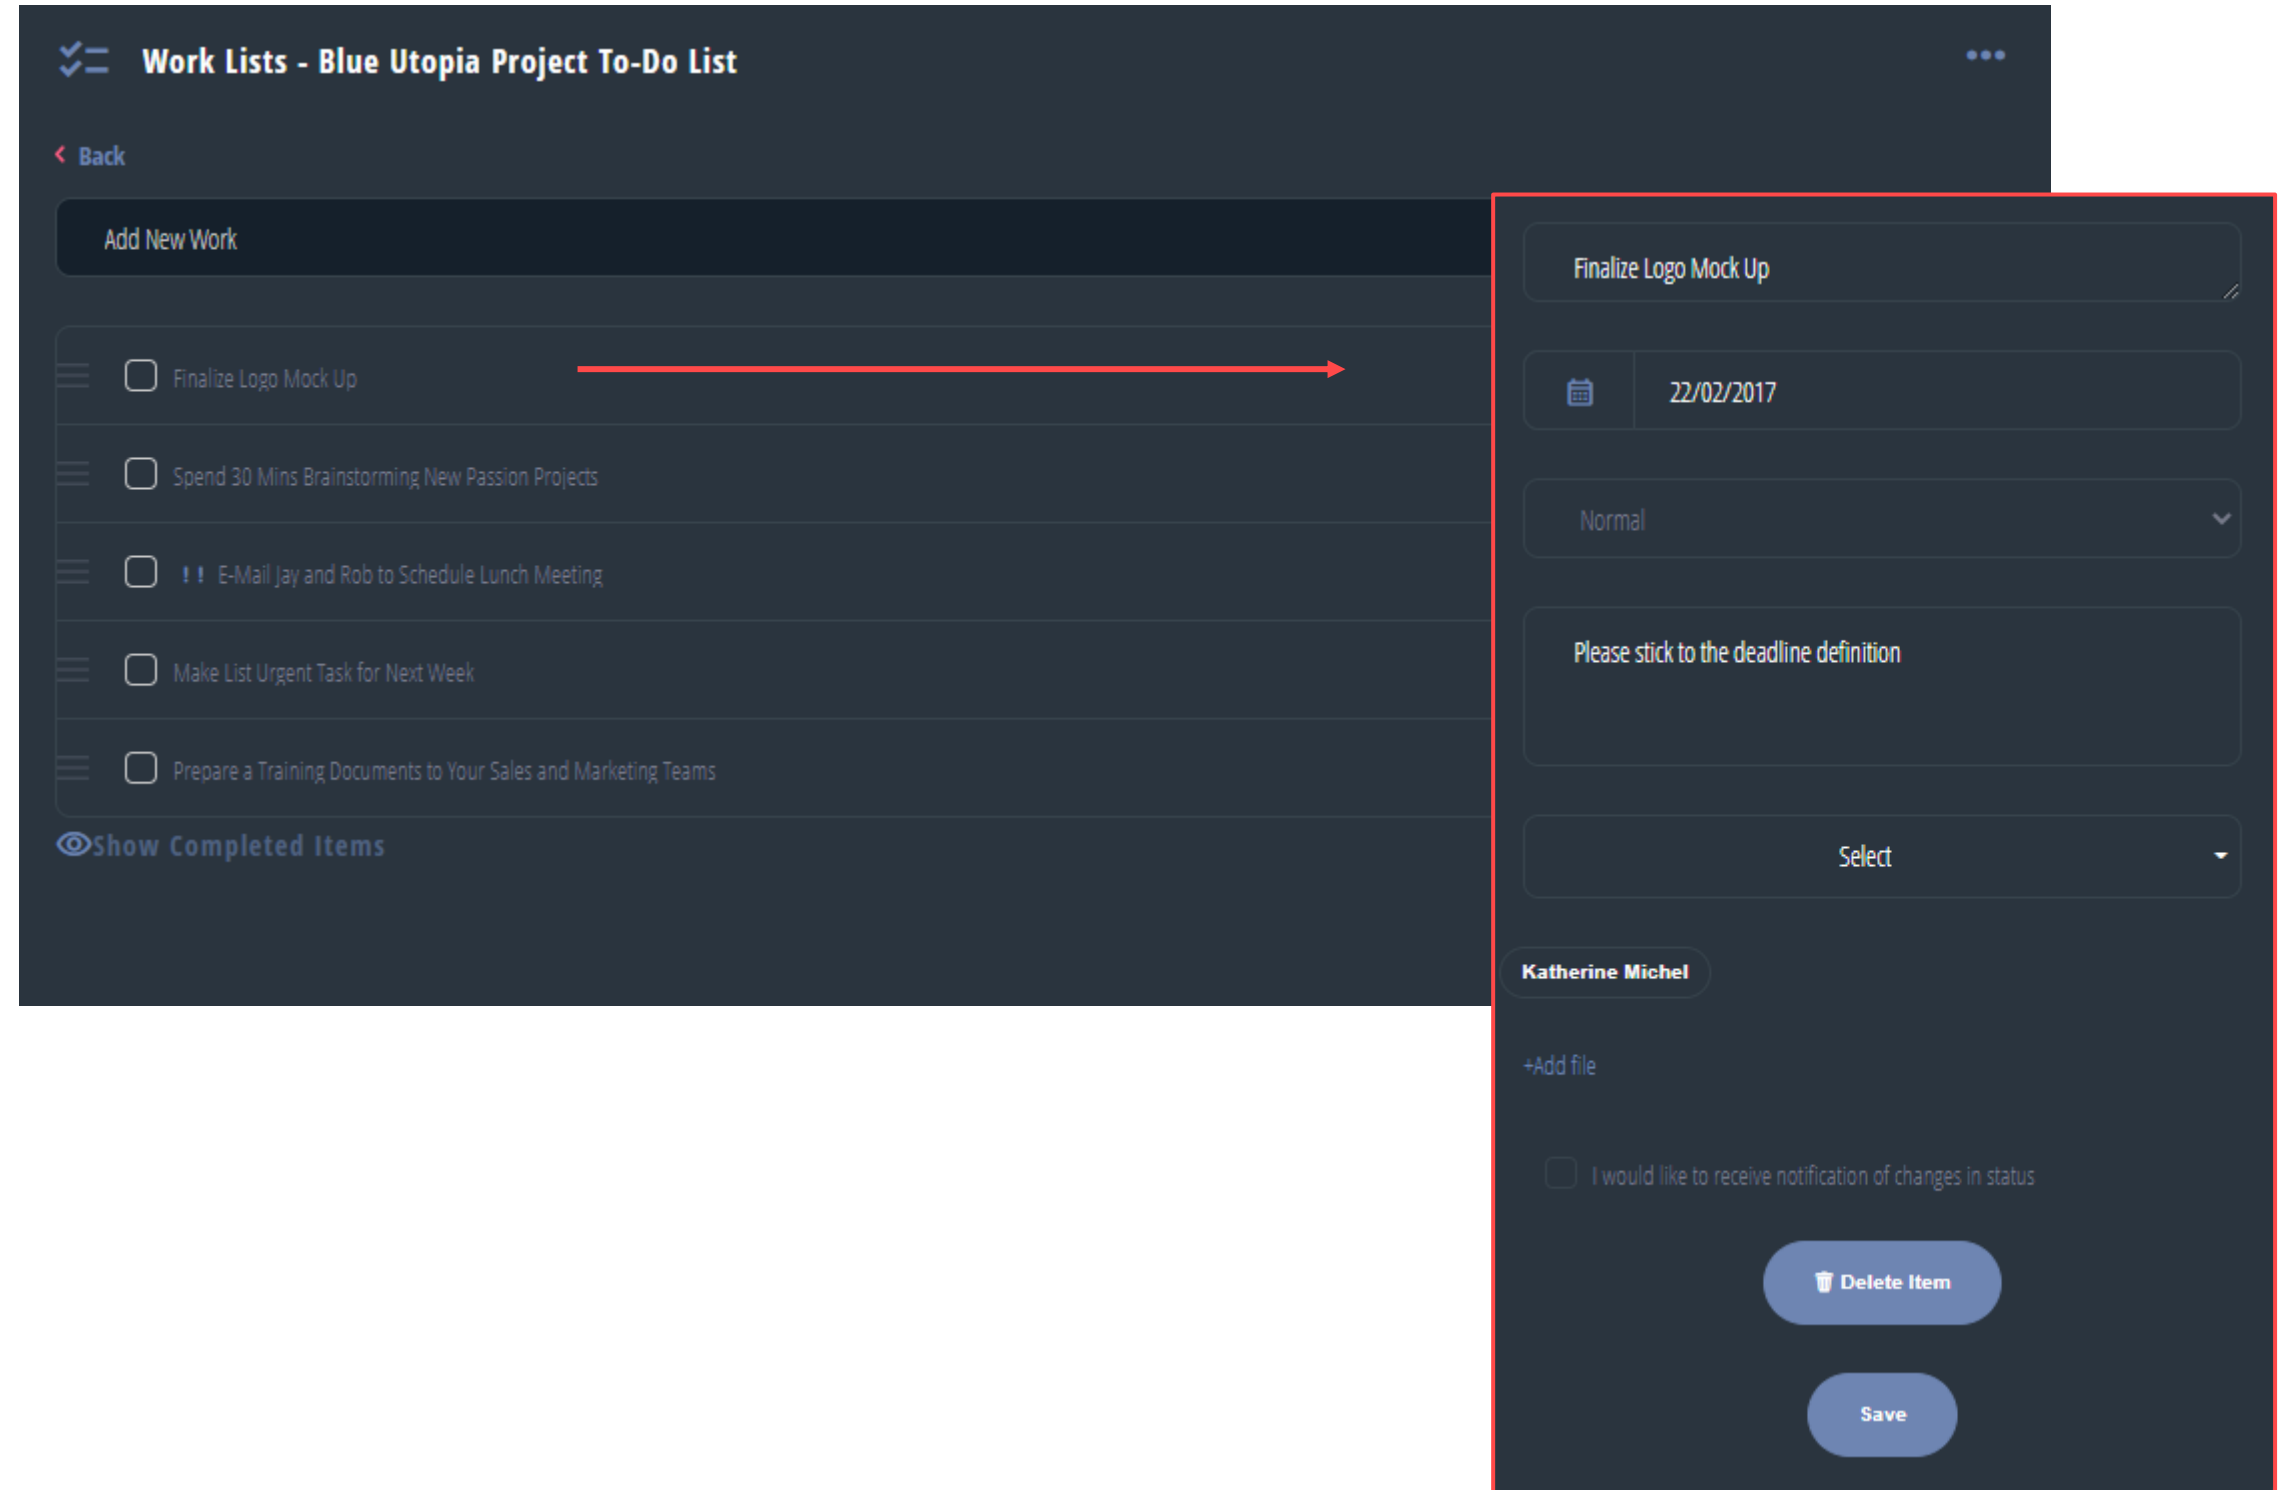

Be participative about professional and sectoral information.

Share a news, an article or a document link with your coworkers.

Managing Work Lists, Assign The Duties are Easier at Social.

Plan personal or team works, give details about the steps. Assign works and track work progresses.

The screenshot displays the 'Work Lists - Blue Utopia Project To-Do List' interface. The main list contains five tasks, each with a checkbox and a menu icon on the left. A red arrow points from the first task, 'Finalize Logo Mock Up', to a detailed modal window on the right. The modal window for this task includes the following fields and options:

- Task name: Finalize Logo Mock Up
- Calendar icon and date: 22/02/2017
- Priority dropdown: Normal
- Instruction: Please stick to the deadline definition
- Assignee dropdown: Select
- Assignee name: Katherine Michel
- +Add file
- Notification checkbox: I would like to receive notification of changes in status
- Buttons: Delete Item and Save

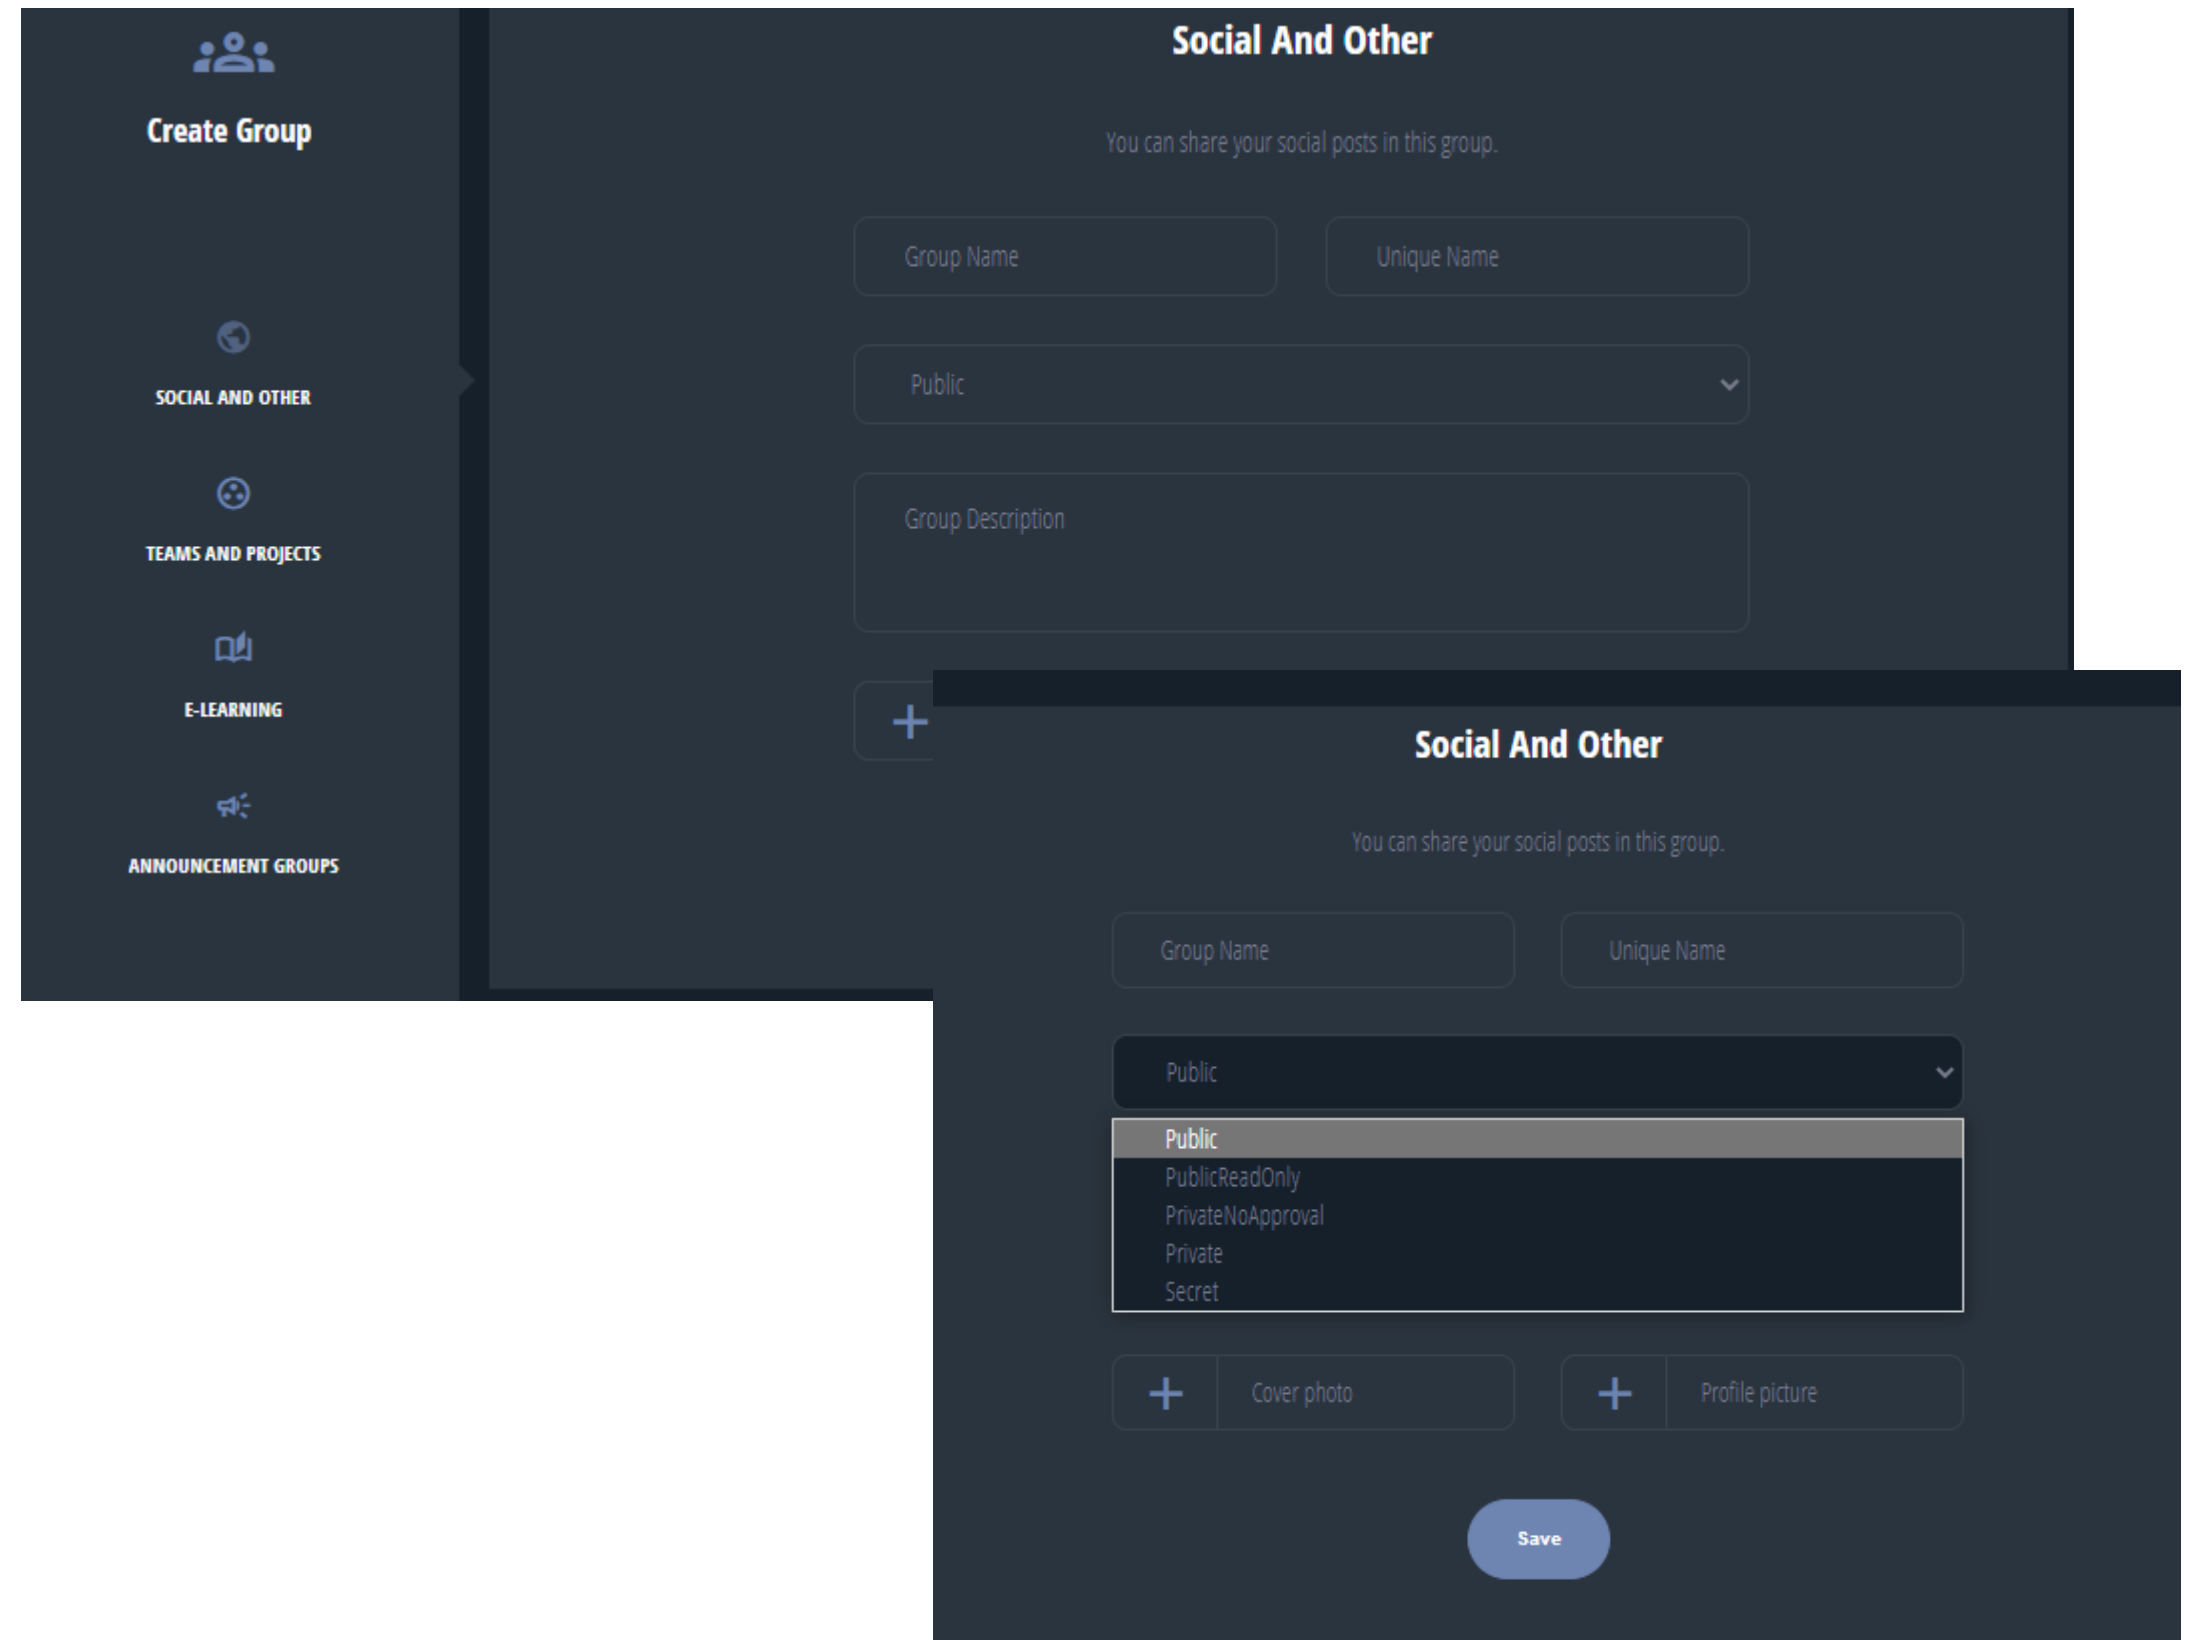

The fastest and easiest way to work together is creating groups.

Categorize the groups by the purpose of creation

Accept members either publicly or with approval.

Keep this between us but you can create private groups that can not be found in searching...
